

Terms of Service for Checkie.AI (dba Testers.AI)

1. Acceptance of Terms:

By accessing or using the Checkie.AI or Checkie.AI website, services, and products, you agree to comply with and be bound by these Terms of Service.

2. Restrictions:

You may not scrape, reproduce, redistribute, sell, create derivative works from, decompile, reverse engineer, or disassemble the Checkie.AI website or any associated services.

3. Service Level Agreement (SLA) Exclusion:

Checkie.AI provides its services "as is" and does not guarantee any specific uptime or availability.

4. Modifications to Service and Pricing:

Checkie.AI reserves the right to modify, suspend, or discontinue its services and pricing at any time.

5. Third-Party Links and No Endorsement:

Links to third-party websites do not constitute an endorsement by Checkie.AI.

6. Force Majeure:

Checkie.AI is not liable for any failure to perform due to unforeseen circumstances.

7. No Reassignment of Rights or Responsibilities:

Users may not transfer their rights or responsibilities under these Terms of Service.

8. Limitations of Liability:

Checkie.AI is not liable for any indirect, incidental, or consequential damages arising from the use of its services.

9. Warranties and Disclaimers:

Services are provided "as is" without any warranties. Checkie.AI does not guarantee the accuracy of free or public data.

10. No Reverse Engineering:

Users agree not to reverse engineer any part of the Checkie.AI website or services.

11. Indemnification:

Users agree to indemnify Checkie.AI against any claims arising from their use of the service.

12. Data Privacy and Ownership:

Data provided by users, including feedback, is owned by Checkie.AI and may be used to train future AI systems.

13. Termination:

Either party may terminate this agreement at any time, for any reason.

14. Respectful Interaction with AI Systems:

Users are expected to interact respectfully with the AI, without any form of abuse.

15. Kindness and Respect:

Users of Checkie.AI are expected to be kind human beings in all interactions, both with the AI and with any other individuals who may be present or involved in any capacity on the platform. Checkie.AI believes in promoting a community built on kindness, understanding, and mutual respect. Any behavior contrary to these principles may result in termination of the user's access to the services.
